

Summer Reading List
Sacred Heart Catholic School
Entering 2nd Grade

Recognizing that reading is an essential life skill, Sacred Heart's English Department requires all students to read during the summer. Students must complete the reading assignment by the first day of classes. We expect your child to read, at a minimum, 5 books this summer. (Students may read 5 books of their choice) If your child fills his/her "box" with all 5 books and wants to read more books, he/she may write them on the back of the "box" page.
