Calling all Sacred Heart Parishioners- help us Restore the Bells!

We have some exciting news to share with you! Until recently, Sacred Heart's bells have been ringing on the Sacred Heart Campus for over 100 years! The bells hold a treasured history and while relocated to the newly constructed bell tower in 1983, our bells and bell tower need essential maintenance, and they need YOUR help!

Additionally, as part of a broader effort to improve your mass experience, we are planning other sound improvements within the sacristy to create a balanced and comfortable auditory environment, ensuring that the sound doesn't become too overwhelming or distorted. Like many churches, we have unique acoustic challenges due to the size and hard surfaces present within our church. Auditory improvements to include professional sound balancing of audio equipment; including cry room and vestibule, purchase of microphones, and evaluation for installation of sound dampening options. To make this vision a reality, our goal is to raise \$27,025.00, which is the market cost of the repairs.

Market Costs of Repairs.

Remove, Refurbish and Replace Bells\$12,500.00
(Bell Hardware- Bolts, Nuts, Washers, Lubrication, Rope at Swing Wheels)

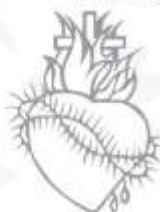

Bell Tower Performance Coatings\$7,500.00
(Pressure Wash, mechanically prepare structural steel, Repaint steel surfaces, doors, hardware, and architectural features.)

Auditory Improvements Church and Sacristy\$3,500.00

Project Contingency (15%)\$3,525.00

Total Estimated Project=\$27,025.00

We invite you to support this initiative by contributing to the maintenance and improvement of our parish's building and grounds. Every gift, regardless of size, will make a lasting impact and bless our church for generations. Any surplus funds will be thoughtfully reserved for future needs in the Parish Building and Maintenance Fund.
